## Opening the Doors of Faith

### Equipping the Team for the Period of Inquiry

*The period of evangelisation is a time of no fixed duration or structure, for inquiry and introduction to gospel values, an opportunity for the beginnings of faith.*

In the last Conference we looked at the first period of the Rite of Christian Initiation of Adults from the perspective of the role of the whole community.

- This year we will focus on the role of the RCIA team itself and consider the nature of the period.
- How do we respond to the different needs of people who come?
- What models are there so that we can always have an open door?
- What good practice can we share?

Experienced practitioners from the RCIA Network will lead the 2012 Conference and the theme will be explored through input sessions, group work, workshops drawing out the implications for other aspects of the RCIA and for catechesis, and liturgy.
